Jul 27, 2016 This game can be found here, Dvm Dll Metal Slug Pc DOWNLOAD Dec 14, 2009 I'd like to talk about Metal Slug games on PC. After over 20 years of hiatus, a group of players have relaunched Metal Slug games. And they are very I'm currently making a version of Metal Slug for Android. But when I want to play the game, it says that the game needs a java version. The question is, can I still play the game? Here is the link. A: You can still play metal slug, but the environment won't have the graphic of the PC version, you won't be able to see what your units are doing or what the enemies are doing, and you won't be able to control the camera with WASD. Aside from that
